

## VINEYARD CERTIFICATION

---

**Application Fee** \$100 billed once per property upon enrollment and is non-refundable

---

**Annual Dues** \$425 for commercial vineyards up to 20 acres, plus \$8 per additional acre over 20 with a \$3250 cap per property (non-refundable)

\$150 for vineyards that are in pre-production, non-commercial teaching vineyards, or distance members outside the Pacific Northwest (non-refundable)

---

**Inspection Fee** \$550 (OR and WA) / \$750 (ID) (refundable up to 30 days prior to visit)  
Inspection fee is assessed only in years when the inspection includes a site visit - years 1 and 2 and then once every third year thereafter

---

**Fast-Track** The so-called traditional path of certification requires LIVE membership for two growing seasons. With the fast-track option, a vineyard may earn certification for the current vintage by reporting for the current and previous season, and paying two years of annual dues and inspection fees at once.

**IMPORTANT:** The vineyard must be in full standards compliance for both years to qualify for fast-track certification
