

## Winery recycling update – June 2021

We have added a new HUB in McMinnville! Thanks to Jackson Family Wines for offering their McMinnville airport facility as a collection point. We would like to increase participation in our recycling program, and hope that this will help. Please share this information with your winery colleagues who may not be participating.

*Note that our recycling partner, Agri-Plas, Inc., continues to operate in a challenging recycling market. In order to continue accepting material from the HUBS (and wineries in general), we need your help in adequately sorting the plastics which you drop off. Please find details below.*

### Recycle #4 plastics from your winery

Low-density polyethylene (#4 plastic) can show up in the winery as pallet wrap, sheet plastic (on pallets of glass, for example), bubble wrap, some shipping air cushions, cork bags, and more. Please note that "crinkly" plastic is not recyclable, and colored plastic is not accepted.

**LIVE wineries are offering this recycling option** for all Willamette Valley wineries (regardless of LIVE status) that do not have a convenient solution for these plastics. To facilitate greater recycling rates, the wineries below have offered to act as recycling hubs, please read the general and hub-specific guidelines that follow, and spread the word.

Please extend a BIG thanks to our hubs when availing of this service.

## General Guidelines

- **#4 plastic ONLY - Clean / Dry / Clear.** In today's challenging recycling environment, our vendor now requires plastic be stored indoors and *not* include colored / opaque plastic.
- **Super-sacks required.** Drop your winery's #4 plastic in super-sacks. These are available from [Agri-Plas](#) or from the hubs below.
- **Read hub-specific guidelines below.** If you would like to offer your facility as a hub, let us know.
- Questions and suggestions can be directed to Kevin Green on behalf of LIVE's winery program. Email [kevin@apolloni.com](mailto:kevin@apolloni.com) or call 503-914-9160.

## Recycling Hubs

**WILLAMETTE VALLEY VINEYARDS** (8800 Enchanted Way SE, Turner, OR 97392)

**When:** As arranged by inquiry.

**Where:** Call or email for drop-off location.

**Notes:** Randy Hillyer, 503.508.8334, or Email [randy.hillyer@wv.com](mailto:randy.hillyer@wv.com)

**LEFT COAST CELLARS** (4225 N Pacific Hwy W, Rickreall, OR 97371)

**When:** Drop off M-F, 9am to 3pm.

**Where:** Drop super-sacks at winery crush pad.

**Notes:** Call ahead to notify Joe at 541.231.7969.

**JACKSON FAMILY WINES - MAC** (173 SE Armory Way, McMinnville, OR 97128)

**When:** Drop off M-F, 8am to 2pm.

**Where:** Through gate, turn right around pump house, front of roll-up doors with sign.

**Notes:** Notify Noel ahead ([noel.hinojosa@jfwmail.com](mailto:noel.hinojosa@jfwmail.com)), use callbox at gate to open.

**DOMAIN DROUHIN OREGON** (6750 Breyman Orchards Rd, Dayton, OR 97114)

**When:** Drop off M-F, 9am to 3pm.

**Where:** Drop super-sacks at rear of building at bottom near loading dock/pump house.

**ELK COVE** (27751 NW Olson Rd, Gaston, OR 97119)
